

NORWELL PUBLIC LIBRARY  
MEDICATION POLICY

The Staff at the Norwell Public Library is dedicated to the well being of each and every visitor to the library. In case of a medical emergency, we will make an emergency call. Staff is not authorized to administer medication of any kind.

If a child has a medical condition that may require intervention and/or supervision, it is required that the parent or guardian stay in the library building.

Adopted by the Board of Library Trustees October 20, 2010.
